

ALEXANDER S.

FULL-STACK DEVELOPER

PERSONAL PROFILE

Experienced result-oriented full-stack developer with a strong technical skill-set, attention to details and 5+ years of experience.

I create digital magic and elevate user experience to the next level. Building state of the art, easy to use, user-friendly websites and apps is truly a passion of mine.

I actively seek out new technologies and stay up-to-date on industry trends and achievements. My main advantages are:

- time-management
- clear documentation
- collaborative team-player
- high-quality code
- open-minded and creative
